

Best of Show INATS WEST

Exciting products from the
International New Age Trade Show

by Jean Haller

If you're in the mind-body-spirit industry, the International New Age Trade Show (INATS, www.inats.com) is *the* place to be. This June in Denver, Colo., INATS was teeming with fresh faces, new products, and the show's signature embracing spirit. The following items represent the kind of creative, inspiring products to be found at our industry's best show.

Design, function, and price are all considerations for choosing products for your store. These natural hand-cut gemstone pendants with award-winning pewter goddesses fit all the criteria. Stones used include natural quartz, amethyst, rose quartz, hematite, sodalite, and aventurine, and measure approximately 1.5 inches, while goddesses are about 2 inches; at \$4.25 they're truly affordable.
